Police identify victim of fatal industrial accident in Jessup

Howard County police have confirmed the identity of a man killed in an industrial accident at a concrete company in Jessup this morning.

At approximately 5:20 a.m., personnel from the Howard County Police Department and Howard County Department of Fire and Rescue Services were dispatched to Concrete Pipe and Precast LLC, in the 7900 block of Dorsey Run Road for a report of an industrial accident involving an adult male.

Upon arrival, police found the man unresponsive, trapped in a piece of machinery. He died at the scene. He has been identified as Agrey Emile Coudakpo, 32, of Castleford Court, Windsor Mill.

The accident remains under investigation by the Howard County Police Department and Maryland Occupational Safety and Health.

(Editor's note: Concrete Pipe and Precast purchased Hanson Concrete Products, the company cited in an earlier news release.)
